Fall 2017

Dear Friend of MERCI:

Please join us on Sunday, December 3, 2017 as **MERCI** celebrates our **28th Annual Trees of Enchantment Brunch** at the **Lake View Room at Almansor Court in Alhambra**. Bring in the holiday season with a champagne brunch, door prizes, and the opportunity to win 1 of our 20 beautifully decorated Christmas Trees, outfitted with gifts corresponding to that tree's theme. And don't forget to shop our boutique with wonderfully handcrafted items.

We will also be **honoring Marta Escañuelas, Executive Director** as she retires after 40 years of dedication to human services. The Board of Directors would like to invite you to celebrate Marta's achievements and in appreciation of her contribution to MERCI.

MERCI is requesting your support by purchasing tickets to this event or becoming a sponsor. Funds raised at our event go directly towards our various programs, allowing us to purchase program supplies, and materials for the individuals we serve.

MERCI is a 501(c)(3) non-profit organization, Federal Tax Id #95-2219917, that provides services to adults with developmental disabilities in the West San Gabriel Valley/East Los Angeles area. We operate two residential homes that provides 24-hour care to 12 adults in Monterey Park. In addition, we operate a mobile day program called DISCOVERY that visits the home of medically fragile individuals to provide them with services that would otherwise be unavailable to them. Our day program is geared towards empowering the intellectually disabled and endowing them with the skills necessary to live as independently as possible.

MERCI has been a proud member of the community for over 60 years and will continue its mission of helping to enrich the lives of the intellectually disabled. Your support would be greatly appreciated and would allow us to carry on the important work we do.

If you need additional information or have any questions, please feel free to contact Reyna Peña or Bernice La Scala (626) 289-8817.

Thank you kindly for your consideration,
